Using the ingredients favorite among Okinawan people of days gone by, mugwort, guava, bitter gourd, and turmeric, we have blended 23 varieties of wildflowers to create this wildflower tea. In order to bring out the effectiveness of this wildflower tea we added agaricus mycelia and shiitake mycelia to create 'Houraisenju Tea'

Product
information

With mugwort, turmeric, bitter gourd and guava as main ingredients, 23 types of Okinawan wild herbs were carefully selected and further blended with agaricus and shiitake extracts in a good balance.
